

Impact of Macroeconomic Variables on CSPF's Fiscal Performance

2019

Esmail Safarzadeh

Summary

In the past few decades, Iran Civil Servants Pension Fund (CSPF) has appeared to be in a critical situation in terms of fiscal performance. As pointed out by the researcher, factors resulting in such a situation can be categorized into two groups: first, intrasectional policies and regulations; second, macroeconomic and demographic situation of the country. In the current study attempts have been made to examine the impacts of the key economic and demographic variables on CSPF's fiscal performance.
